Meditation is one of the greatest arts in life - perhaps the greatest, and one cannot possibly learn it from anybody, that is the beauty of it. It has no technique and therefore no authority.

Year-End Financial Report

1st September 2008 - 31st August 2009

Message from the Treasurer

The Krishnamurti Information Centre of Montreal is a non-profit organization run by volunteers, and is financially dependant on subscription fees and donations. Despite a drop in income from fees and donations the past year, our situation has remained stable due to the entrance fee we now charge for presentations at the Atwater Library. With the launch of the KICM website completed, we can now put more resources into our advertising budget and a new project to make K DVDs directly available in Quebec.
